

Welcome to Alloggio Belvedere

below we will give you useful information for your trip

- **Check-in & check-out** – in order to reduce the costs of the structure and to make the arrival and departure times more flexible, we have decided to entrust the keys of our structure to the **Bar Centro** (located at the address **Via Magliaga 14** 23030 Santa Caterina Valfurva) open from 7.30 am to 11.00 pm, check-out time is at **3.00 pm**, thank you.
- **Garage for a fee (8 euro/day, 200 mt from the house)** - We strongly recommend to take the garage especially in winter because the temperatures are very low (**you will freeze the fuel if you leave the car parked outside**) and there are very few free places, unobtainable during high summer and winter season. (payment by PayPal or your choice)

In this map you can see the position of the BAR and the GARAGE with its distances from the **Alloggio Belvedere** which is located at **Via Plagheira 2/a** 23030 Santa Caterina Valfurva.

From the Bar continue towards the house to leave your luggage.

Then go on to leave your car in the garage at Via Santa Caterina 2.
The garage is located BELOW the K2 car park.

number of the garage is 001, you must continue along the passage to the end, you will find the garage on your right.

After you have parked your car in the garage here is the route to take on foot, there are 200m (4 minutes on foot):

Once you enter the building, keep to the right and continue along the corridor until you reach flat number 6 - you have reached your destination. 😊

To exit the flat directly onto the ski slope, always keep to the right along the corridor until you reach the "USCITA PISTE" door.

In front of you there is a door to the ski slope, on the right side there is a ski and bobsleigh depot.

Position of separate waste collection in relation to the house (dry - also throw wet inside 😊, paper, plastic, glass):

To go to the centre of the village (where you will also find the Bar Centro, ski school, minimarket, restaurants) you have to use the underground passage, halfway down this passage where you will find the pizzeria La Tana you have to turn left and after 5 metres you will find a magnificent bakery, continuing down the ramp you have arrived in the centre of Santa Caterina. 😊

More information for your stay and useful videos can be found on this page (videos in Italian only):
